Dear Owner/Manager:

Are you looking for a new energetic and profitable form of entertainment for your establishment? Well, if so, we have the answer. **Live Stand-up Comedy** is a great opportunity to boost your business and showcase a fun and friendly form of entertainment. "Crazy" Gene's Comedy offers comedy show packages sure to please any crowd. We pride ourselves in providing some of the nation's top comedians at reasonable and affordable prices. We offer full service packages that include sound, stage, lights and entertainment. **We do not use amateur comedians!** Many establishments have attempted live comedy in the past with "open mic" or "new talent" night. This can be a big mistake, as guests may not return if the entertainment was "amateur" or sub par. **Our comedians have appeared on HBO, Comedy Central and Showtime. They have headlined in some of the top comedy clubs and cruise ships in America including Caroline's on Broadway, the Improv, Bananas, Royal Caribbean and Carnival Cruise Lines.**

What is the best type of establishment for live comedy? The answer is very simple; **anywhere** is a great place for comedy. We have performed in hundreds of night clubs, bars, restaurants, hotels, catering halls, civic associations and corporate events; with our talented line-up of venue-appropriate comedians. In this challenging economy, laughter can lift spirits and is indeed the best medicine!

Our staff is committed to excellence, and we assist you in every phase of the show from room layout, room set up, creation of print and media advertising, printing of tickets and show fliers. We **do not** simply book a show and "send you comedians." We are involved in assisting your establishment every step of the way to ensure a successful show for the establishment, guests, and our comedians.

What is in it for your establishment? Many venues are thrilled with the food and bar business generated during the course of a comedy show. The crowds are mature and ready to laugh. Most of the establishments we perform in **do not** require security personnel during the show. Guests always leave happy and ask "when is the next show?" Take a moment to read some of the great feedback we have received from some of our local customers on the attached page.

We have also enclosed some valuable information and comedian bios for you to preview. Please call (914) 475-8407 for pricing since weekday and weekend show pricing will vary. Book early and receive a special discount when you mention this letter. **Try something new and refreshing** that very few places in the area offer: try live professional stand up comedy, done the right way!

We have what it takes to put on an OUTSTANDING show. Please call us today to set up an appointment in your establishment.

Sincerely,

"Crazy" Gene Trifilo
